ELECTED OFFICIAL/DEPARTMENT HEAD REPORTS

Sheriff Mike Mollenhauer reported that the Sheriff's web site is up and running and now has listed the ten most wanted. He further stated that presently there are over 5000 active warrants. The web site will bring more information to the public and should help with capturing offenders.

The Lake patrol has received a grant for \$30,000.00 to help purchase equipment and possibly a used boat from the City of Michigan City.

Sheriff Mollenhauer is supporting the Avon Foundation for domestic violence which is a continuing problem in our County.

He also commended the employees of the Jail on the recent inspection. The Department of Corrections found -0- violations out of the 220 items checked. They were extremely impressed with the cleanliness, professionally run institution and programs for the inmates. The DOC had a few suggestions to share with the Sheriff. It was suggested that "boats" be purchased for the inmates that must sleep on the floor due to lack of bunks. These "boats" hold the mattresses up off the concrete floor.

He was questioned about the overtime in the department and about the ice machine that needs repair.

Sheriff Mollenhauer was please to announce that since Mayor Chroback doesn't seem have funds to pay her police department for security for the 4th of July parade. He, his Chief Deputy and his reserve Officers will donate their time to provide the parade security. The parade will go on.

PUBLIC COMMENTS

Dennis Metheny inquired on how much the general fund borrowed from the emergency reserve fund and how much was left. He also stated that departments should live within their budgets and not keep asking for more money throughout the year. He also asked, since we have a hiring freeze, why does the county keep hiring people? Also, people appearing before the Board of Zoning Appeals have been treated very rude. He stated that maybe next year different people should be appointed to that board.

Mike Kobos congratulated the Council for mysteriously solving all the County problems right before the election. He also complained about the rude treatment at the Board of Zoning Appeals. He stated that there are several unsafe houses that should be torn down.

Frank Buss said he had heard rumors that the Conservation building at the fairgrounds was going to be taken over by the County for different purposes. He wanted to speak out against this since it is the only way for them to raise money.

LIAISON REPORTS

Mr. Garner met with the Treasurer who stated the need for funds to prepare and send out provisional tax bills. Since this is being done by a private company, she is saving the County over \$9,000.00 each time a bill is sent. He attended a City Council Meeting to hear their issues. The City has spent over \$236,000.00 on interest on loans they have outstanding. He attended a meeting with Commissioner Barb Huston and PNC regarding a building for their extension office. He also stated that the Sheriff's Pension Fund will be approximately 1 million dollars short. A portion of this is due to the low interest rate of return.

Mr. Bernacchi met with County School Superintendent, Norm Kleist, who will be requesting permission to fill a vacancy in his office due to an employee transferring to the Assessor's Office. Mr. Hamilton will be asking for a transfer of funds, not an additional appropriation, to raze some unsafe houses. He also met with the EMS who stated that training in the process of accepting credit card is going well. Should be up and running by July 1st. He also thanked Sheriff Mollenhauer for "saving the fourth of July parade"

Mr. Yagelski met with ALCO Television to try and resolve problems. He stated that Verizon out-sources services and there is a language problem that needs to be resolved. He also wanted to correct a misunderstanding regarding the Auditor's Office in Michigan City. He did not vote to close the office, just not to replace the employee.

Mrs. Sosinski said that it has come to her attention that we may have a problem with not reporting the wages of elected officials to the state for unemployment purposes. Elected officials are exempt when it comes to paying unemployment tax on those wages because they may be out of office in four years. She has gotten two different answers from the unemployment office on whether those wages should be reported. In error, some wages were reported in 2008, but it has now been corrected. It came to her attention since allegedly; there is an elected official that is now collecting unemployment while he is collecting an elected salary. She is asking, if possible, to report all elected official's wages to the state. She stated that she pays her taxes and would appreciate everyone else doing the same. Mr. Cunningham asked to address that issue, He stated that he had

been employed by the Honda dealer and when he was laid off, his boss sent him to the unemployment office to sign up for the benefits. He said he has a report from the state stating he did report his earnings. The issue was raised if he was entitled to the benefits and his employer (Honda) did not object. He stated that he still had benefits from the MC schools in a severance check that was also reported on his claim form. He also stated that when this issue surfaced he was leaving on vacation so he sent Mrs. Sosinski the report from the state. He wanted to deal with it upfront since he was going to be gone. If her allegation was regarding Earl Cunningham, he was more than happy to address this tonight. Mrs. Sosinski stated that regardless what a former employer told him Mr. Cunningham is responsible to report any and all income. She stated that she was not specifically speaking of him, there were several other times in the past that 1099's had not been issued. The issue needed to be addressed. Wages needed to be reported. She stated that we all needed to get with the program and cross our t's and dot our i's.

Mr. Garner inquired on the status of the PTABOA decision pertaining to how many persons are to be appointed.

Bob Bailey requested that they be allowed to use the County Attorney when needed.
