COMMENTS BY THE COUNCIL

Mr. Mrozinski spoke out against the Conservation Club building being taken from them and given to the Purdue Extension Office. He stated that it was a dumb idea, he definitely won't support it. He suggested that a plan be drawn up and put out for bids. Possibly to build on the existing concrete slab that is just sitting at the fairgrounds.

Mr. Gardner agreed with Mr. Mrozinski; put the project out for bid. Don't take the Conservation Club's building.

Mr. Yagelski stated that the County has wasted approximately \$280,000.00 in seven years on rent. It's time to build, not rent.
